

“International Advent Singing Festival” Vienna/Austria

International Choir Festival in Vienna’s historic town hall

Vienna is the home of Johann Strauss and the Viennese Waltz. But other great artists, such as Mozart, Beethoven, and Schubert, also lived and worked in Vienna, shaping the city’s cultural and musical heritage that continues to this day.

The city offers visitors a rich variety of musical events as well as masterpieces of Baroque art and architecture.

During the pre-Christmas season, choirs from all over the world visit Vienna’s atmospheric Christmas markets, and in recent years, the Festsaal of the Vienna City Hall has become one of the most popular venues for performances.

Our travel program gives you the opportunity to present your music to the Viennese audience at two exclusive events: a concert in the magnificent **Festsaal of Vienna City Hall** and participation in a **mass service** at a carefully selected church.

The package also includes **accommodation in a Viennese hotel** and a **3-hour guided city tour** of Austria’s capital, complemented by a delightful lunch at the renowned Rathauskeller restaurant. To complete your Viennese experience, enjoy an authentic **Heuriger evening** with a traditional platter of local delicacies and fine regional wines at a charming Viennese wine tavern.
